

## IEE CONURBANT

*An inclusive peer-to-peer approach to involve EU CONURBations and wide urban areas in participating to the CovenANT of Mayors*

**Baseline Emission inventories for Conurbations cities : Big changes start in small towns**

**CONURBANT Project Workshop:**

**21<sup>st</sup> June 2012, 9:00-14:00**

**Banca Monte Paschi Belgio Building,**

**Av. D'Auderghem 22-28, 1040 Brussels**

**EUSEW - June 21<sup>st</sup> 2012 - Bruxelles Workshop**

**About the Project** CONURBANT starts from the consideration that EU small towns face strong difficulties in energy management and planning because of their lack of skills and resources, while medium and large cities have a higher responsibility related to higher density of human activities to more complicated issues of sustainable land using and planning and mobility. The CONURBANT project aims at helping medium-large cities, and the smaller towns in their urban area, through capacity building using peer-to-peer support and training between less and more experienced Municipalities, in the framework of the Covenant of Mayors

**About the Workshop** The 1<sup>st</sup> CONURBANT Workshop aims to guide small municipalities' officers and politicians into the first steps of the Covenant of Mayor process: how to create the CoM office, which energy consumption information should be collected, which emission factors to be chosen.... The workshop is divided into three parts, from general to detailed and gives matter of fact examples that can give participants good examples for “homework”!

**Who Should Attend?** The workshop is especially recommended for management and technical staff from small cities/villages that are part of a larger city/conurbation/metropolitan areas, as well as other key local energy actors, such as local and regional energy cities

<b>Workshop Programme Overview</b>	
9.00 – 9.30	Participant Registration and Welcome Coffee
9.30 – 10.00	Greetings, Introduction and Workshop Overview by Project Coordinator and Workshop Moderator  <i>Mr. Antonio Marco Dalla Pozza, Comune di Vicenza and Mr. Michele Zuin, Comune di Padova, Italy</i>
